Absentee ballots and ballot applications for the November 8, 2022, General Election are now available at the Courthouse Monday – Friday, 8:00 am to 4:30 pm. NEW STATUTES, EFFECTIVE AUG 28TH 2022 – Each voter will need to show a photo ID to vote beginning with this election. This applies to Absentee Voting, as well as Voting on Election Day. Voter ID cards can no longer be used to prove your identity. The Secretary of State's office will help you get a photo ID at no cost if you do not have one. Voters who have not received a photo ID by election day may vote a provisional ballot and the County Clerk's office will try to verify your signature with your voter registration card, and then count your ballot.

Visit our election website www.daviesscountymo.gov or call the office for more info.

You may vote by mail without having your return envelope notarized if you fall into this category.

#2 Incapacity or confinement due to illness or physical disability (your caregiver is also eligible if they reside at your address)

If your reason for voting absentee by mail is one of these below, your envelope must be notarized if mailed or returned by an eligible relative; OR it can be returned unnotarized to the courthouse in person by the voter so the envelope can be certified by election staff.

#1 Absence on election day from Daviess County
